Vova is an eye catching Eastern stag with outstanding antler and solid body weights.

He was bred by Wilkins Farming Co and retained from our 2013 crop. As shown above his pedigree originates from our stalwart sires Vladimir and Heinirch.

As a 2 year old Vova grew an impressive well balanced multi-point antler, and had a significant live weight of 247 kg. These two traits combined make for an impressive sire – one to keep an eye out for.
