**Vladimir is one of our stalwart sires in our Eastern stag base. Combined with top growth rates and outstanding velvet this stag delivers on all key traits.**

By Sergei out of a Maximilian daughter, Vladimir originally from Stanfield stud contains some of the best Eastern genetics available.

As a 4 year old, Vladimir grew an impressive head of hard antler – 42” long with a span of 32”. His velvet head is also very correct and cut over 9 kg as a mixed aged stag (see table below)

Combined with top growth rates and outstanding velvet this stag delivers on all key traits.
