WF 56/11 is an impressive Eastern stag.

Sired by Vladimir, out of a Ramon hind this stag epitomises his sire with his symmetrical antler, and very solid body.

As shown in the table below he was 275 kg at 2 years of age, and 310 kg at 4 years, when he cut 6.8 kg of SA2 velvet.

We used this stag for 2 breeding seasons within our Eastern hind base, however he passed away in 2016, therefore we have only a limited offering of his exclusive progeny available.
