Salzburg features excellent velvet credentials along with superb body weights, including an impressive weaning weight of 81 kg.

Purchased from the 2015 Altrive sale and bred by embryo transfer, Salzburg has a strong German influence. His pedigree contains industry heavy weight sires Amadeus, Morpheus, Adonis and Wredeson Major to name a few.

In future years, we are confident Salzburg will remain a key influencer within our maternal breeding programme.

AGE	YEAR	BODY WEIGHT (kg)	VELVET (kg)	GRADE
