Gateau is an impressive animal with great presence and strong velvet and trophy credentials.

He is sired by the well performed Python and was purchased by Wilkins Farming Co in 2019.

Gateau returns good growth rates combined with a very tidy head of velvet which has a presence to look at – long, heavy beams with an eye-catching style. The future bodes well for this stag within our breeding programmes.

We are excited to see how his velvet and antler production develops with age as well as that of his progeny.
