Sire — Bloomsbury shown at 6 years

**Bloomsbury is a Pure English stag featuring impressive velvet credentials.**

He has been used by Wilkins Farming Co in our AI programmes and is a game changing sire. An impressive 300 kg at 6 years as well as producing 11.4 kg SA velvet and 5 kg of regrowth.

This stag is an exciting addition to the Wilkins Farming Co English breeding programme. The impact we expect from this English sire is second to none.
