This is a new bloodline for Wilkins Farming, purchased ex Foveran.

The stag was Lot 1 at the 2014 Foveran sale, a standout head that was placed fourth at the rising stars 2 year old hard antler competition with an impressive score of 367 1/8 IOA not including burr inside span.

He has excellent sires on both his sire and dams side. He is from the proven dam 6285 - dam of lot 11 in 2011 at the Foveran sale — 2 years old 218kgs and 32 points.

We look forward to crossing this stag with our English Germans and in particular our Infinity daughters.
