**Gateau is an impressive animal with great presence and strong velvet and trophy credentials.**

He is sired by the well performed Python from Black Forest.

Gateau returns good growth rates combined with a very tidy head of velvet which has a presence to look at – long, heavy beams with an eye-catching style.

We are excited with Gateau’s velvet and antler performance as this sire has developed with age we believe he is unique in the way he can cut a very nice velvet head as well as possess an appealing trophy head. We are looking forward to seeing this dual-purpose sire’s progeny prosper in the future.
