Bred by Wilkins Farming Co, Randolph is one of our stand out maternal stags from our 2018 born progeny.

This impressive stag is sired by Churchill going back to a Peel hind. Some of our best maternal bloodlines stacked with proven performance, solid growth rates and meat yield. Randolph is no exception, he has an impressive EMaCeBV of 2.72 combined with a good loin weight & EMA, reiterating his meat yield potential, as well as excellent velvet production. We are excited by the performance of this stag to date and anticipate he will have serious impact in our maternal herd.

AGE	YEAR	BODY WEIGHT (kg)	VELVET (kg)	GRADE
Weaning	2019	69		
11 months	2019	125		
15 months	2020	148
