**Yesenin is an exceptional meat producing stag as well as providing strong velvet and antler credentials.**

He was purchased from Stanfield stud and has provided a solid base for much of our hind herd. Yesenin has excellent constitution combined with solid body weights. An all-purpose stag, Yesenin provides strong velvet credentials and as a 5 year old he produced a 24-point head

We are extremely pleased with his progeny to date. Yesenin is a serious contender as a sire of progeny for those looking to produce venison.
